

“Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.”

- Colossians 3:23-24 NIV

Organizational Profile

Daniel & Catherine's Story

Pakistan has faced significant socioeconomic challenges over the past seventy years, with persistent issues such as water scarcity, hunger, poverty, illiteracy, poor health conditions, unemployment, land management, corruption, drug abuse, and overpopulation. A nexus of self-serving officials and politicians has exacerbated the plight of the poor, leading to widespread frustration and a perception that the government is ineffective. In this context, Mr. Daniel (late) and Mrs. Catherine (late) emerged as beacons of hope, dedicating their lives to serving the most vulnerable communities. They provided not only financial assistance but also emotional support, helping individuals navigate their hardships. Their family members are committed to continuing this legacy through the Daniel and Catherine's Foundation, a registered non-governmental organization under the Act of 1860 in Pakistan, operational since 2021 with offices in Okara and Faisalabad.
